IMPORTANT INFORMATION FOR CORPORATE NETBANKING (MAKER-CHECKER) USERS FOR IITF 2025 GENERAL/PREMIUM BOOKINGS THAT ARE TO OPEN AT 2.00 PM ON SEPTEMBER 15, 2025

Exhibitors who opt for **Corporate Net Banking** through maker-checker may please note that after approving the payment there might be an error message on the approver page. In this case, please follow these steps:

A. In case the money has been debited from your account within the stipulated time (i.e. 60 minutes) , please check the status of your Stall Booking on your user dashboard under 'Stall Booking Details' on the booking portal. It may get Confirmed/Successful after some time, within the stipulated time limit (i.e. 60 minutes).

B. If the booking & payment are confirmed/successful on the portal, the stall is booked, even if there is an error message in the approver page.

C. The above steps are for Corporate Net Banking (through maker-checker) users only.

D. Time limit : Applicants who opt to make payment through CORPORATE NETBANKING (Maker-Checker) are advised to approve the payment well within 30 minutes of adding the booth to the cart since it may take over 30 minutes to get approved/confirmed. Otherwise, this may result in a timeout (i.e. crossing the 60 minutes time limit) the booth may not be booked or confirmed.

Stall booking status can be seen here on the user dashboard https://booking.indiatradefair.com/login :
