Corrigendum

Date: 28.01.2025

With reference to NIT no. /FS-1/World Expo/O&M Tender/2024 dated 27/01/2025 "Selection of Operations and Maintenance Agency for providing services at India Pavilion (Type X - A23) at Expo 2025, Osaka" following addition to the NIT document are made with immediate effect.

In continuation of NIT for providing O&M facility, the O&M agency has to consider the fire safety training also. Apart from Deputy General Director as the Fire safety Manager, two staff (from management or security staff) to be trained for fire safety in the pavilion for deployment of one staff compulsorily during both shifts of entire expo period. The above staff will also undergo all required fire safety training carried out by Osaka Expo authorities both before and during the expo period.
